January 2005
NEWSLETTER
Mcsma.org

Attention:

To all music department administrators and lead teachers:
PLEASE FORWARD THIS DOCUMENT TO ALL DISTRICT MUSIC STAFF

Included in this newsletter are dates, location and conductors of MCSMA festivals, information pertaining to Richard H. Snook Award.

I hope you all had a restful holiday season. We have just completed our M.C.S.M.A. solo festivals. A sincere debt of gratitude goes out to all of our coordinators who went above and beyond to ensure the best for all of our students. If you see any of the following people please thank them : Tammy Sutliff and Robin Beel, senior high instrumental, Christine Cramer, senior high vocal and vocal jazz, Bill Baldwin junior high instrumental, Kim Derse, elementary instrumental, Brian Zimmer and Paul Van Horn , instrumental jazz, Jeff Welch, assignor of adjudicators.

Our new process for registering for solo festivals seemed to work very well. It appears we will continue to register online for our 2006 Monroe County Solo Festivals. Please be sure to establish an account through the MCSMA web site and check for updates as they arrive.

There are a few items I would like to review with all music staff:

When registering for a solo festival it is imperative to input the proper information. If a solo grade changes to a different level the coordinator must be notified to make appropriate room changes so that room assignments may coordinate with the grade level.

When students are sent to MCSMA events it is expected that a representative from the students school will be in attendance to supervise and assist their students. There were several instances this past month where students needed assistance from their teachers and no one was there to support them.

NO COPIED MUSIC WILL BE ALLOWED IN THE AUDITION ROOM. Only permission letters from the publisher will constitute permission to copy. (a copied page to assist in a page turn is acceptable)

A student must be a participating member of their corresponding school music organization at the time of audition and at the time of the festival to be considered eligible for the MCSMA ensemble.

Most Important: Please read and understand all directions

In the event of cancellations to festivals due to inclement weather, all notifications will be updated on our www.mcsma.org website as well as local radio and television stations.

Please consider someone to recommend for the Richard H. Snook Award. The application may be found at the end of this newsletter.

Lastly a compact disc holder was found at the Instrumental Jazz Solo Festival. It contains numerous CD's If anyone knows who this may belong to please contact me at 218-1113

We will be holding our 2nd HAPPY HOUR of the school year this Friday, January 28th from 4 to 7 at Bru in High Falls. Hope to see you all there.

Thank you for all that you all do
